MOSQUITO CONTROL PLANNED

The mosquito is to be the target of a carefully planned program in Mattapoissett this season. Mattapoissett Selectmen have consulted with experts from the county and they have been most cooperative and helpful. Together they have worked out a plan which will start this Spring. It will be twofold. For the long range control, drainage ditches will be dug to get rid of mosquito breeding stagnant water. For immediate relief there will be two sprayings. One will be in June and one in August. It has been recommended that the spraying be done after a moon tide. After a very high tide, low lands are left with pools of water which, after gaining rain water, become sweet enough to be breeding pools for mosquito larva. Spraying after the flood tide will knock out the newly hatched pests. DDT, which has been used in the past, will not be used because of its cumulative effects. In its place an insecticide to kill adult mosquitoes will be employed which will have no lingering effect. It is expected that this approach will steadily diminish the mosquito

BASEBALL NOTES

In Little League action this past week, all action on Tuesday was rained out. On Wednesday, Rochester defeated the Reds by an 11 to 3 score. Cubs 9, Blues 7. Thursday action saw the Greens defeat Rochester by a 12 to 2 score, Cubs 23 Reds 1, Eagles 6 Blues 5.

Pony League team lost to Seven-Up Bottling by a 4 to 1 score on Wednesday in a well played game and then dropped a heart breaker to a good Smith's Sports team 7 to 4 after leading the entire game by a 4 to 0 count. A questionable decision by the umpire was the key factor in this loss.

On May 30th at 10 A.M., the Pony team will play a group of old timers, and 4 P.M. the Greens meet the Eagles in a league game. This should be a good one so come on out and see your local teams in action.

The Sports Committee wishes to thank the Women's Community Guild of the Congregational Church for their generous contribution to the Athletic Fund.

Standings of the teams after the games of May 21st are:

	Won	Lost	Pct.
Eagles	3	0	1000
Cubs	3	0	1000
Greens	2	0	1000
Rochester	1	3	333
Blues	0	3	000
Reds	0	3	000

At present, the Marion teams look very strong

having veteran material, but Rochester, Reds and Blues with younger players will give a much better account of themselves after they gain experience. Rochester is new to the league this year and is capably coached by Al Jenney and George Knight and will give some of these teams a bad time in the second half. All things considered, this promises to be a very exciting season.
